

PISTA SMART SURFACE TUBED

PISTA SMART SURFACE TUBED SMART SURFACE TUBED 48 TRACK 48V 1X LED DALI GI

The Smart family now offers its beloved Smart 48 Tubed track or track-suspended combined with a 48V track adapter. This new development means that the luminaire can be connected with our Pista magnetic rail track, and gets to keep its thin, 2m-long, matte black suspension cable.
