

THIMBLE 70 TRIMLESS LED GE

Thimble evokes minimalism, surprise and technology all at once. Subtle curves, slightly revealing colours, high-quality lens and LED. With its deep-recessed and glare-free light source, Thimble's clean and seamless execution makes it a quiet yet sophisticated choice for high-end residential or hospitality settings. This versatile, elegant architectural downlighter will bring pure form, definition and quality light to any space without stealing all the attention.
